Air vent	Electrodes	Circulator Barring Assembly	Circulator coupler

Deluxe Terms and Conditions

- The annual contract will take effect only after all equipment has been inspected by Britt & Graff, the contract has been approved, signed, and paid for by homeowner/contract holder
- This contract will be billed to homeowner/contract holder upon receipt of the signed contract and again annually until Britt & Graff is notified otherwise
- **Account must be on an automatic delivery schedule for heating oil**
- **Heating oil must be solely purchased from Britt & Graff for the duration of this contract**
- This contract is non-refundable and non-transferable
- Prevailing rates for materials and labor will be charged to the homeowner/contract holder for any work performed by Britt & Graff which is not specifically indicated in this contract
- Non-emergency nights are not covered by this contract and will be billed at prevailing rates
- Some items not covered by this contract include, but are not limited to, repair of water leaks on domestic or heating pipes, frozen oil lines or tanks, water or other foreign matter disposed of from oil tanks, lack of oil due to conditions beyond Britt & Graff's control, domestic hot water coils, water feeders, draft inducer, power venting equipment, bronze circulator, flow valve, air vents, expansion tank, low water cut offs,

Britt & Graff/Jarvis Fuel

air conditioners, humidifiers. This contract does not cover obsolete parts (parts not available through normal supply sources), full replacement of boiler/heating system

- This agreement does not cover damage/malfunction from acts of God, war, flood damage, fire, hurricanes, power outage/no power of any kind, ice storms, freezing of any kind, tampering, abuse, neglect, or any other causes beyond control. The homeowner/contract holder agrees Britt & Graff is not responsible for these damages.
- The homeowner/contract holder agrees not to hold Britt & Graff responsible for any damage caused due to failure of the burner or equipment. Britt & Graff is not liable or responsible for damages resulting from delays to perform service or supply parts caused by acts of God, war, fire, strikes, transportation difficulties, or resulting from any cause not reasonably within Britt & Graff's control. Under no circumstances shall Britt & Graff be liable for consequential or incidentals. Britt & Graff's damages shall not exceed the contract price. Vacant and/or unoccupied premises shall not be covered under this service contract
- Britt & Graff will not be responsible for any conditions caused by the result of a heating system breakdown except to repair mechanical parts on the heating unit.
- This contract is void if the homeowner/contract holder permits any person not authorized by Britt & Graff to service their equipment.
- This contract is void if homeowner/contract holder has past due balance owed to Britt & Graff
- This contract is void if homeowner/contract holder's home is found to be unsafe, unsanitary, or hazardous working conditions
- It is the responsibility of the homeowner/contract holder to arrange for annual burner cleaning and service if needed
- Service contract does not include, and Britt & Graff is not responsible for any chimney cleaning, repairs, replacement of, or work on chimneys, nor damage resulting from malfunction of chimney
- Emergency constitutes no heat during cold weather and/or dangerous situations. Britt & Graff will respond to emergency call in a timely manner
